## Mike Fulford (1936 – 2023)

*Mike's childhood was spent in Leicester where he attended the Wyggeston Grammar School. Whilst at school his interest in stamps was born and he continued to be an avid collector for the rest of his life. He was fortunate to spend his National Service in Cyprus just after Independence and, with the 'troubles' over, he was able to explore the island long before it became the mass tourist destination of today. He fell in love with Cyprus and was inspired to form a serious philatelic collection brought together over the following six decades, the results of which are reflected in this auction.*

*The collection spans over five centuries, from early pre-stamp material right through to Independence. Interestingly he never expressed any wish to return to the island, feeling that he would be disappointed by modern developments. Quite understandably he preferred to remember the island as he had originally found it.*

*Mike also took a full role in organised philately and if he became a member of a society he would also want to give something back. He joined the Leicester Philatelic Society in 1968 and remained a member until his death, serving on the committee, serving as President from 1993-1994, and acting as its Auditor for a number of years.*

*Mike was an elected Fellow of the Royal Philatelic Society London and worked as a volunteer in the Library. He became Assistant Treasurer for the Society and later served a term as Treasurer, putting his professional qualifications as a Chartered Accountant to good use. Very deservedly he was honoured at the 'Royal' with the award of the London Medal.*

*He was also a very active member of the Cyprus Study Circle, acting as their Treasurer for many years. For OPAL he served as Secretary and he was also invited to join the Society of Postal Historians, serving a ten-year term as their Treasurer and being elected to the status of Fellow.*

*Although he never exhibited his Cyprus collection in search of medals, he did participate in competitive philately with his collection of Smyrna Postal History, eventually winning an International Gold Medal in Paris in 2012. Away from stamps and postal history, his natural competitiveness could also be seen reflected in his pursuit of other major interests, such as rugby, squash, golf and bridge.*

*Mike's love of philately brought him strong friendships worldwide and he leaves behind many warm memories.*

## Ray Rabbetts (1932 – 2022)

*Ray was born in Portsmouth and spent his early years in that area until he was awarded a Royal Scholarship to study chemistry at Imperial College, London. He subsequently settled in Hertfordshire and spent his working life as a chemical engineer, becoming a sought after expert in hydrothermal growth of quartz crystals and overseeing the installation of several quartz growing facilities overseas.*

*He was a firm believer in DIY and always had a house, garden or car project on the go, never using a tradesperson until age overcame him in his later years. He was also very involved in freemasonry for nearly 70 years.*

*His interest in philately started in boyhood and stayed a passion throughout his life. An interest in stamps of the British Isles extended over the years to the British Empire with a specific focus on the Falkland Islands, not just collecting but also researching in depth their historical aspects.*

*He joined the Falkland Island Philatelic Study Group (FIPSG) in 1982 and became known as 'Modern Man' due to his long-standing and diligent observations of the later and new issues. He was nominated head of research topics for the Falkands, South Georgia, BAT, QEII commemoratives and other issues. As a result of his researches he was able to inform the Stanley Gibbons editor of many hitherto unrecognised varieties.*

*To his regret he never managed a trip 'down south', but he was a regular attendee at the FIPSG residential weekends, making a number of high quality and much admired presentations. In recognition of this he was awarded an honorary life membership in 2018.*

*He was an active member of his local philatelic society, and held the role of secretary and honorary auctioneer for many years.*

*Ray was married to Brenda for 61 years and was very much a family man. He was a devoted and much loved husband, father to Nigel and Jo and grandfather to five grandchildren. He is greatly missed by his family and all who were privileged to have known him.*

### Early Mail and Documents

- 621 ▲ Early Mail, A three page autograph letter sheet dated “H.M.K. Arrow, Jan 23rd 1842 Port Edgar Falkland Islands” possibly the earliest recorded letter from West Falkland, written by Captain William Robinson to his mother and brother containing (somewhat prematurely) his last farewells and bequeathing his possessions to them. Photo on page 78. £300-£400
- 622 ▲ Parliamentary Papers, 1860 (Aug. 28) *An Act to amend an Act passed in the sixth year of Her Majesty Queen Victoria, intituled An Act to enable Her Majesty to provide for the Government of Her Settlements on the Coast of Africa and in the Falkland Islands* printed by Eyre & Spottiswoode. An important legislative step in the history of the Islands. £80-£100

- 623 ☒ THE BLACK FRANK: 1872 (Jan. 2) a fine strike on yellow envelope and an important example, prepaid at the 4d. rate unique to Montevideo only, with red ms. “4”(d.), fine F.1 despatch c.d.s. and receiving notation at foot, flap mostly missing. Carried on the *Foam* and one of four posted to Montevideo on this day (this with no apparent relationship to the other three). This the only date on which any recorded Black Frank covers were sent to Uruguay. Barnes 2/72. Photo also on inside front cover. £6,000-£8,000

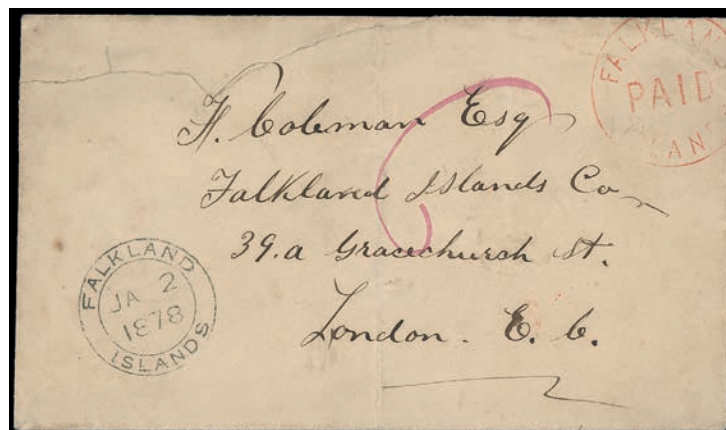

- 624 ☒ THE BLACK FRANK: 1873 envelope registered to England with clear strikes of the Black Frank, the “(crown)/REGISTERED” marking and F.1 “JA 3/1872” (error for 1873) c.d.s., rated “10d” and carried on the *Black Hawk*. Some small faults and part of flap missing, but one of the most attractive Black Frank covers. Only eight registered Black Franks covers recorded. Barnes 2/73. Ex Ayre, Laycock and Heijtz collections. Photo also on front cover. £6,000-£8,000

- 625 ▲ THE BLACK FRANK, a strike on contemporary (1874?) piece without F.1 despatch c.d.s. but with red London Paid "6 AU (?)" transit/arrival c.d.s. and rate markings all in red. The "4"(d.) mark (compare Barnes 5/72) suggests an inter-island charge whilst the high "4/-" rate (compare Barnes 4/75, though apparently amended) suggest not only that the cover was registered but that the likely addressee may have been former Colonial Secretary on the Islands, Henry Byng (noting also the similarity to the clipped piece later rejoined to its original envelope (Barnes 5A/74). The London date suggests carriage on the "Black Hawk" departing Stanley July 2 1874, transferring to the "Olbers" at Montevideo for an ill-fated voyage to Southampton during which she collided with and sank a sailing ship outside Bahía. Also two posthumous strikes on piece from official stationery (R.P.S. certificate, 2000) and two fake examples on pieces (both with A.P.E.S. certificate, 1973). Photo. £250-£300

- 626 ☒ THE RED FRANK: 1878 registered cover to England with clear strikes of the Red Frank, the "(crown)/REGISTERED" marking and F.1 "JA 2/1878" c.d.s., carried by the *Sparrow Hawk*, some small faults and small part of flap missing. The most attractive of the three recorded registered Red Frank covers. B.P.A. certificate (1974). Barnes 1/78. Ex 'Stanley' and Heijtz collections. Photo also on inside front cover. £8,000-£10,000

- 627 ☒ THE RED FRANK: 1878 (Jan. 2) Envelope addressed to F. Coleman of the Falkland Islands Co. in London, with good strike of the Frank, showing prepaid rating "6" in magenta, fine type F.1 despatch c.d.s. at left and red London Paid Feb. 12 arrival backstamp, creased and torn at top from rough opening. Carried on the *Sparrow Hawk* to Montevideo and to Liverpool on the *Valparaiso*. Just 23 Red Frank covers are recorded. Barnes 2/78. Ex Dudley Stone. Photo also on inside front cover. £4,000-£5,000

## THE FALKLAND ISLANDS PHILATELIC STUDY GROUP (founded 1970)

The Group was founded following a meeting of some 50 collectors gathered together by Malcolm Barton, our Past President. The Study Group, whose membership is currently around 340, is truly international in its structure. The objects of the Group are to research into all aspects of philately connected with the Falkland Islands and their former Dependencies, leading to the publication of findings and to foster Falkland Islands philately by all means, including exchanging of information and philatelic material. Research is carried out by individual members, and is collated through a nominated leader for each subject.

A weekend meeting takes place annually in March during which displays are given, auctions and a bourse take place and an Annual General Meeting is held. Regional meetings are also held on a regular basis in various parts of the UK and in other countries, including the USA, Norway, Sweden and

the Falkland Islands. Members, whether beginners or advanced collectors, are encouraged to attend.

The award winning *Upland Goose*, a quarterly journal, is distributed to all members and to leading philatelic libraries. Members 'Sales and Wants' are published with the journal without charge.

Two auctions of members' material are held each year, one a postal auction and the other live at the weekend gathering. Other material surplus to members' requirements is available through a popular circulating packet, limited because of insurance constraints to subscribers within the UK.

FIPSG is a member of ABPS and the American Philatelic Society.

For more information please go to the Study Group website [www.fipsg.org.uk](http://www.fipsg.org.uk)

My dearest Mother & Brother,

Uncertain and transitory are all things  
 human, and although thank God he now  
 blesses me with good health, yet I know not  
 how soon it may please him to call me  
 away, grant that I may be prepared to meet  
 that hour; should he see fit to do so suddenly  
 ere I have time to address one line to them  
 I hold most dear on earth - then few lines  
 are to assure you that  
 and prayers will be  
 Mother to you who has  
 affection and care for  
 who hath guided my  
 path which I trust to  
 tenacious - all, every

990

- 990 ☒ 1824 (Feb. 25) large part entire sent from London to Cumberland with red crowned "FREE" datestamp with endorsement signature for free carriage of "James Graham", an unusual connection to the 'father' of the territory. Sir James Robert George Graham, 2nd Baronet GCB PC (1792–1861) served as First Lord of the Admiralty from 1830 to 1834. Graham Land, named in his honour by John Biscoe after its discovery in 1832, is the closest part of Antarctica to South America and, up until the British Graham Land Expedition of 1934-37, generally thought to be an archipelago rather than a peninsula. Photo. **£80-£100**
- 991 Selection comprising 1945 P.C. 90 censor label on cover from Christchurch, New Zealand with 1944 Health set, addressed to "The Chief Postmaster/Graham Land/Via Falkland Is" with PS.3 transit and E1 "16 JAN 1946" arrival datestamp, also 1946-49 five hand illustrated postcards by Karl Lellman, two depicting the *William Scoresby* (one similar to Heyburn BA-1), others depicting Antarctic scenes and penguins, bearing a range of stamps cancelled by type F1 c.d.s.'s, also 1953 sketch design for type A4 first Port Lockroy datestamp, basic layout demonstrated in ink on piece (202 x 78mm) endorsed "Specimen for Dependencies" with fine strike of PS.3 "17 JU/53" c.d.s. alongside and initialled violet handstamp "POST OFFICE SUPPLIES DEPARTMENT/MOUNT PLEASANT/LONDON EC1" at left (ex Koefman and Rose).
